We are Transforming... to do it all Better!

ESSENTIAL IN PEACE, INDISPENSABLE IN WAR
Mission

Provide superior technology, acquisition support and logistics to ensure dominant land force capability for Soldiers, the United States, and our Allies.
Dedicated and innovative people:

Committed to continuously improving support to soldiers and the Joint Team.

Leading the development of new technologies and sustainment processes to balance the force and expand the capability of the Joint Team.

Reshaping and building the workforce to meet current and future needs of the Joint Team.
